Half Day guided coach tour to Cape Sounion & Temple of Poseidon

+ 2 Days All Lines Hop On Hop Off

14.30 A half day guided coach tour along the beautiful Athens coastline to visit the famous **Cape Sounion** and **Temple of Poseidon** with one of the most breathtaking panoramic views in the world. (On a clear day you can see at least seven islands!)

Cape Sounion is only 45 miles (70 km) from Athens, making it the perfect lazy afternoon destination and a great photo opportunity. The Cape's Temple of Poseidon is perched on a rocky hilltop overlooking the sea. The Temple of Poseidon was built in 44 B.C., and many of the original Doric columns are still standing. The precipice is a sheer 197 foot drop to the turquoise sea below. The view across the Aegean is magnificent with one of the most breathtaking panoramic views in the world, extending all the way on a clear day from nearby Kea Island and as far as the Peloponnese.
